

- Technical Talk on MSMA 2<sup>nd</sup> Edition Using MES Software -

MES Innovation Sdn Bhd with the collaboration of REDAC, USM have successfully conducted seminars on 9 locations around Malaysia. The purposes of the seminar are to give an overview of MSMA 2<sup>nd</sup> edition, introduction of bio-filtration drain design, OSD & Detention pond design based on MSMA 2<sup>nd</sup> edition, and how MES software can help in the infrastructure design.

The last seminar will be held on 17<sup>th</sup> – 18<sup>th</sup> December 2012 at Malacca. Kindly visit MES website or call for further enquiry. Don't miss the last chance to attend the seminar.
